Connecting People. Transforming Lives.

 Durham
University

Introduction:-

- Our one year, full-time MSc in Management programmes are designed to provide you with the tools, techniques and knowledge to succeed in business.
- Our MSc in Supply Chain Management is a problem-based learning programme that mixes academic robustness with applied, practical and inter-disciplinary perspectives.
- It is designed to give you a thorough grounding in the theoretical and practical aspects of managing supply chains, enabling you to put classroom knowledge into practice. These programmes are intended for graduates in any subject or discipline; no previous study in business or management is necessary.

University Rankings: Masters in Supply Chain

Management 2023

AMBA accreditation service is the global standard for all MBA, DBA and Master's degrees, currently accrediting programmes from the top 2% of Business Schools in more than 75 countries. Accreditation denotes the highest standard of achievement in postgraduate business education.

Location and Advantage:-

Durham University
Mill Hill Lane, UK

- There are several express coach services daily from most major cities. Durham is well served by both regional express services and the local bus network. From the city bus station - a short walk from the railway station - a bus service runs every 15 minutes past the Colleges on South Road.

Alumni Network

We currently serve over 36,000 alumni, in over 140 countries worldwide; our global network facilitates friendship and business connections in both social and professional circles. Serving alumni and current students alike, the global alumni network is an inclusive, diverse community and sits very much at the heart of the 'Durham Experience'

Application Requirements:-

3 year Graduate degree

If English is not your first language, then you must provide evidence of your ability in spoken and written English. Durham accepts a number of tests and qualifications as evidence of meeting its English language requirements.
