

Vikas Gadoo

Integrated Maritime Exchange (Co-Founder)

Vikas Gadoo, Co-founder of Integrated Maritime Exchange (IME), is a seasoned Australian-Indian IT professional with 18 years of experience in product management and development. He has held key roles at leading companies such as British Telecom, Infosys, NBN Australia, and Vocus, showcasing his expertise across diverse sectors.

A notable achievement in his career is the patent awarded by the Indian Patent Office for his innovative mobile call drop solution, demonstrating his ability to solve real-world challenges in telecommunications. As a driving force at IME, Vikas plays a crucial role in steering the company's technological innovations in the maritime industry.
