### Synergy Marine Group

Marine Superintendent

December 2021 - October 2022 (11 months)

Pune, Maharashtra, India

As a Marine Superintendent, I am actively involved in operational aspects of vessels including Navigation, Cargo operations, crewing matters, compliance with SIRE/ CDI /Vetting requirements, compliance with Charter party instructions, and owner's instructions, and company's SMS. Read and understand CP clauses to protect the Owners at all times. Ensure that Charterer's standing instructions and Owner's standing instructions are provided to Master. Ensure that the vessel's voyage instructions are obtained from the vessel and necessary precautions are advised to the vessel. Ensure that Insurance warranty limit areas are not breached. Monitor the vetting matrix for the vessels and ensure vetting is arranged in good time and in compliance with owners/charterers' instructions. Monitor vessels speed and consumption performance and advise Fleet Manager when actual performance differs from charter party performance. Conduct audits of the vessel's as arranged by the Marine Manager. Review Safety Committee Meeting Reports, Incident Reports, LARP Cards, and Inspection/audit reports from the assigned vessels.

### Maersk Tankers
